April 2014

Study in Pakistan Edu Week UAE

including road show and training sessions were held successfully from 06 - 09 April 2014. The event was graced with the presence by **Bahauddin Zakariya University, Multan (BZU)**, **Superior University, Lahore (SU)** and **Imperial University, Lahore (IU)**. Out of various purposes of road show one was to provide information materials and guideline to management and teachers for students seeking guidance about the admissions in Pakistan after their high school education from UAE.

Teachers training sessions were also held, which aimed to provide teachers the complete information and resources of getting up to date knowledge of number of educational institutes in Pakistan, educational programs offered and which are the best institutes where a student gets its higher education etc...

Overseas Pakistani community and management of UAE educational institutes much appreciated the **“Head-On International”** and **“Study in Pakistan”** activities and requested us to organize such type of events again and again so that they can avail maximum information about Pakistani educational institutes.

Upcoming Events

"Head-On International" is working since 2003 for the development and up gradation of education sector in Pakistan. We are the concept leaders for the "STUDY IN PAKISTAN" program, by representing Pakistani Educational Institutions in Pakistan and abroad.

Through our project "STUDY IN PAKISTAN" & "SIPEXPO" we regularly organize educational exhibitions in Pakistan and abroad. In current year, we have organized the "April 2014 Study in Pakistan Edu week UAE" the highlights of these catchy events are shown in newsletter and now we are organizing our some more events

International:

1. "June 2014 Study in Pakistan Edu Week UAE" for overseas Pakistani community to provide information and guideline to management, teachers and parents for students seeking guidance about the admissions in Pakistan.

Out of various purposes this activity can also been utilized for overseas student enrollment, teacher training programs, international campus establishment, collaboration and liaison etc...with international educational institutes.

National:

2. "Career Counseling Sessions" will organize in the month of August in different areas of Punjab. Its purpose is to promote and inform students and parents about different career programs in Pakistani education system and enroll students as well.

Teachers training sessions will also organize to inform the teachers to guide their institute's student about the strength and facilities of participated educational institutes.

3. "eMag (Education Magazine)" is a fully subscribed edition which is circulated nationally in printed form and internationally through internet and remains an invaluable resource for all stakeholders of education field. Every year during the opening of Medical and Dental colleges admissions, a Special Edition is being published for Students, Parents, Teachers and Institutions.

It includes information regarding Medical, Dental and Allied Health Sciences Fields, Admissions Guideline for students and Introduction/Advertisements of Recognized Institutions.

This News paper will be distributed according to Schedule with professional team. It's also available on internet for international visitors on eMag's website: www.emag.com.pk
