"Head-On International" is working since 2003 for the development and up gradation of education sector in Pakistan. We are the concept leaders for the **"STUDY IN PAKISTAN"(SIP)** program, by representing Pakistani Educational Institutions in Pakistan and abroad.

**Study In Pakistan believes in:
"Socio-economic development of Pakistan through education"**

Through our project **"SIPEXPO"** we regularly organize education exhibitions in Pakistan and abroad. In Pakistan we arranged **"Health Care and Medical Education Expo"** in 2011, 2012 and 2013 in Lahore Expo Center.

Through our representatives and associates in UAE we arrange copious seminars and educational exhibitions from time to time. We arranged, managed and succeeded in the first ever education exhibition in UAE named **"Study in Pakistan"** in the year 2004. We have also organized the **"Study in Pakistan Education Expo Dubai, UAE"** with great zeal and success on March 2012 & 2013. H.E Tariq Iqbal Soomro, Ex. Consul General of Pakistan Embassy, UAE, much appreciated and acknowledged the services rendered by Study in Pakistan.

In year 2014 we organized two **"Study in Pakistan Education Week UAE"** in the months of April and June, which included road show and training sessions. **H.E. Javed Jalil Khattak**, Counsel General Pakistani Consulate Dubai, warmly welcome the Pakistani universities delegation and much appreciated **SIP** activities for overseas Pakistani community in UAE.

Every year we represent Pakistan's Education flag in all international education exhibitions around Middle East and to the world. We are also a regular part of GETEX Dubai, UAE and IEHE Riyadh, KSA.

And in our national events and on the demand of different Pakistani Educational institutions, different **"Career Counseling Sessions"** are also organized from time to time in different cities and educational institutions of Pakistan.

PAKISTANI EDUCATION LIFE CYCLE
