ILM TRUST EDUCATIONAL PROJECTS

In 1990, a group of eminent educationists, philanthropists, professionals and industrialists established the ILM Trust. Today, it stands as a nationally as well as internationally acclaimed symbol of quality education. From early years schooling to high school, college and university education, an integrated system of quality education is being provided by the educational ventures of ILM Trust; from playgroup to PhD, ILM takes cares of the learning needs of an individual by delivering innovative, market-driven education.

University of Management and Technology

The first W4 University in the Punjab, UMT offers bachelor, master and doctoral degrees in a wide range of disciplines. With two campuses in the Punjab (Lahore and Sialkot), UMT caters for the educational needs of over 10,000 students in a state-of-the-art learning environment.

ILM Colleges

The ILM Colleges Network is an initiative of the ILM Trust that aims to make quality education available at widely dispersed locations in the country. ILM currently has 50+ campuses and offers a wide range of programs in arts, science, computer science and commerce. Separate campuses for both male and female students offer value-driven education to the nation's youth.

The Knowledge School Network

A countrywide project of comprehensive schools (playgroup to class X), The Knowledge School (TKS) Network is another initiative of ILM Trust. Today, TKS boasts of a network of 250+ schools countrywide. TKS effective learning with personality grooming and life skills makes TKS stand out from the rest.

Institute of Knowledge and Leadership FZ-LLC

IKL has emerged on the global map of learning and knowledge sharing as a highly advanced and qualified training platform. As a global player, IKL is based out of Dubai, one of the most dynamic parts of the GCC and hub of international organizations.
