Student Interactive Sessions & Road Show, UAE

“Head-On International” is working since 2004 for the development and up gradation of education sector in Pakistan. We are the concept leaders for the “STUDY IN PAKISTAN” (SIP) program, by representing Pakistani Educational Institutions in Pakistan and abroad.

“Study In Pakistan” believes in:

“Socio-economic development of Pakistan through education”

Through our project “SIPEXPO” we regularly organize educational exhibitions in Pakistan and abroad. In current year, we have organized “Student Interactive Sessions & Road Show, UAE” in June 2015. which includes meetings and Discussions with Pakistani Institutes Heads/Management and with officials and dignitaries of UAE.

Out of various purposes of student interactive sessions & road show one was to provide information materials and guideline to management and teachers for students seeking guidance about the admissions in Pakistan after their high school education from UAE & direct student-parent interaction with institutes.

Delegation of Educationists and Career Counselors from Pakistan also visited Pakistani Consulate in UAE, Pakistani Schools, Universities and Overseas Pakistanis Association of UAE to explore the mutual beneficial ventures.
